A Treat for Your Feet!

Do your feet need a treat? After all that extra dashing about in December and January, pounding the streets for those last few presents or bargains, your feet may be in need of some TLC.

Feet First would like to offer you a £2.00 pre-Spring discount on all chiropody treatments for the month of February only.

Please bring this letter with you to qualify for the discount and claim a free footfile.

We look forward to seeing your feet soon!

With kind regards from the

Feet First Team
